As Time Goes By

MAY 27, 2017 ~ LARK DALIN ROBERT

Inspired by an article entitled [“Then and Now Photos Show People as Young Adults and at 100 Years Old”](#), I took a look at some of the family photos in my collection to see if I could assemble a similar group.

I was quite surprised by the result. In many cases, I found pictures where the poses were quite similar, even though many years had passed in between.

Here's my collection . . .
